**Mr. Sayyid Nassir  
SALIM AL BUSAIDI**

Chairman of the Board of Directors  
Oman Insurance Association

He is an Omani national with over 34 years of professional experience. He holds a Master in Public Management from Carnegie Mellon University (USA), in addition to several professional and specialized training programs in the insurance sector.

He currently serves as Chief Management Executive (CME) of Oman United Insurance Company SAOG, leading the Company's strategic and operational direction. He has been associated with the Company since 1997, bringing extensive institutional knowledge and leadership experience.

In addition, he currently serves as:

- Chairman of the Board of Directors of the Oman Insurance Association;
- President of the General Arab Insurance Federation (GAIF);
- Vice Chairman of the Board of Directors of the Orange Card SAOC.

He plays a key role in advancing the insurance sector at both national and regional levels, contributing to industry development through strong engagement with regulators, clients, and stakeholders, as well as active participation in regional insurance initiatives and conferences.
