

# INTERVENANTS

**Mr. Angus  
SCORGIE**

Head of Prudential Regulation and  
International Affairs  
**Insurance Europe (Belgique)**

Angus Scorgie is the head of prudential regulation and international affairs at Insurance Europe. He is responsible for advocacy on a range of topics including Solvency II, recovery and resolution, stress testing, the International Capital Standard and systemic risk.

Prior to joining Insurance Europe in 2016, Angus worked as an investment consultant for a range of institutional clients, advising on risk management and investment strategies. He is a qualified actuary and holds the CERA credential and a MSci Mathematics from the University of Glasgow.
